CLERK, U.S. DISTRICT COURT

Answering letter received on 3-31-08

On about Nov 01,07 The arresting officers was taken me to the hospital. On the way there the three guys that beat me up crossing the street. (still not this time I don't have the three officers name.) Officers stop the car because I had told them that that those were the ones who beat me. The officers got out and stopped the three upon approach they tell the officers that I had a wife they left after that and the officers didn't arrest them. So I went to the hospital. There at the Hospital a Detective, Howard come into my room the three guy at this point had told Mr. Howard all they did to me. Seeing me he (Howard) had the chance to arrest the three guys. instead he told me that I was going to jail and that was the police house. Mr. Howard is also the only person that went to the indictment and Testified aginst me. The three guys didn't even sign their complaint. And so if may career I'm having a hard time in jail I don't have a lot of resources in I need a attorney I ask the court Please help me because I really need to do this Thank you
